THIS IS OUR NO CONTRACT COVER TERMS

We believe that we are not only cheaper but will be able to offer all our customers a much better service than any big name company. Obviously we do not cover everything and you can read what is not covered clearly in the excluded section. However, we cover more than many other companies so it will be well worth comparing. You simply pay either monthly or in one full payment with a discount and leave the rest to us. There is no need for a contract and you can stop the cover by simply contacting us and letting us know.

TERMS

Bracknell Plumbing & Heating will provide the customers with either Red, Blue and Yellow (Brown as optional extra) cover at the service level the customers requirements. The cover will be provided seven days per week including bank holidays. However, routine repair work including boiler servicing will only be carried out between 8.00am and 5.00pm Monday to Friday. Bracknell Plumbing & Heating will endeavour to respond promptly and, if possible, within 24 hours to the customer's request.

The covers do not include the excluded works and Bracknell Plumbing & Heating shall be entitled to a charge for the excluded works at its normal hourly rate. Please contact our office to find out more.

The request for a plumber/engineer/electrician must be totally genuine and relate to the cover only. If we receive a call out to your property and the problem is not related to the cover provided for you then a standard call out charge for your area will be raised and sent to you.

If you cancel the cover plan during the 12 month period and you have had a boiler service completed before cancelling, then we will charge you our standard charge for the boiler service.

The covers do not include repairs on faults, breakdowns or stoppages deemed by Bracknell Plumbing & Heating to be pre-existing before the commencement date or which occur during the first 28 days of the commencement date unless the work was done by Bracknell Plumbing & Heating.

The cover charges are payable in advance either in full by credit/debit card transaction or postal order or monthly by standing order into the bank account nominated from time to time by Bracknell Plumbing & Heating. Customers wishing to pay their Cover Plan by monthly standing order must take care to pay the correct amount. This amount will be quoted before the Cover Plan is taken out / before renewal is due. Failure to do so will result in all call outs and services becoming chargeable at our standard rates.

Additional services (including excluded works) and the cost of replacement parts not covered by the specific cover will be the subject of extra charges in accordance with Bracknell Plumbing & Heating and payable within 7 days of the date of the Bracknell Plumbing & Heating's invoice.

To facilitate the provision of Bracknell Plumbing & Heating the customer shall keep and operate the equipment in a proper and prudent manner. Use the equipment in a suitable environment with proper power supplies and in accordance with instructions and advice of the equipment manufacturer and Bracknell Plumbing & Heating. Not move the equipment or make any addition, modification or adjustment to it without Bracknell Plumbing & Heating prior written consent. Have an annual service and safety check completed on the equipment by a Bracknell Plumbing & Heating's Gas Safe registered engineer. Maintain and make available to Bracknell Plumbing & Heating records of the operation, and any malfunction of the equipment. Report all faults of the equipment to Bracknell Plumbing & Heating immediately when the fault occurs and will not seek third party interference with the equipment without the express written consent of Bracknell Plumbing & Heating.

Bracknell Plumbing & Heating shall have no liability for any damage to the customer's property unless occasioned by Bracknell Plumbing & Heating's negligence.

This is a no contract cover so the customer can terminate at any point. Also Bracknell Plumbing & Heating reserves the right to terminate the agreement at any time during its period of duration providing that a full reimbursement for the remainder of the agreement is provided to the customer. If the customer does not pay the agreed charges on the due date then Bracknell Plumbing & Heating will terminate this agreement immediately and without notice.
